## **Citizenship 4** Key stage 1 - How do we look after animals?

## Name the animals:

Photos: Durham Wildlife Trust

Name the animals: ladybird, common frog, fox, tawny owls, otter, weasel, hedgehog

Can you think of any animals that live around your school or house?

What do you think these animals need in order to live?

How can you help provide them with what they need? Clues:

## Do you know what these animals are?

These are badgers. What do you think they eat?

Badgers like to eat worms best of all.

## Caring for wild animals: What should we do where animals live? We must treat animals kindly.

Don't	•••••••••••••••••••••••••••••••••••••••
Don't	
Do	n't
Leave wild animals	
	Stamp on insects, disturb nests, drop litter, leave wild animals alone, don't frighten animals.
