

My Bucket List

A Bucket List is a list of things you'd like to do during your lifetime. Why don't you have a think about some of the things you'd *really* like to do and make your own list?

Here are a few ideas to start you off:

1. Watch badgers in the wild.
2. Go for a hike in the wild.
3. Camp out in the wild.
4. Go wild swimming (**Safely!**)
5. Make my garden more wildlife friendly.
6. Go star-gazing somewhere where they have *really* dark skies.
7. Try bouldering
8. Try abseiling
9. Canoe down a river.
10. Bury a time capsule.
